The background is a vibrant red color, bisected by a white diagonal line from the top-left to the bottom-right. The white areas are decorated with various grey geometric shapes: circles, triangles, and thick lines. The red area is also decorated with white circles and grey shapes. The text is centered in the red area.

# LIGHT HOUSE PROJECT

BY ALEX, RYAN AND SAM

**THIS IS A  
PICTURE OF  
US AND OUR  
PROJECT**

# SO THE MATERIALS WE USED WERE

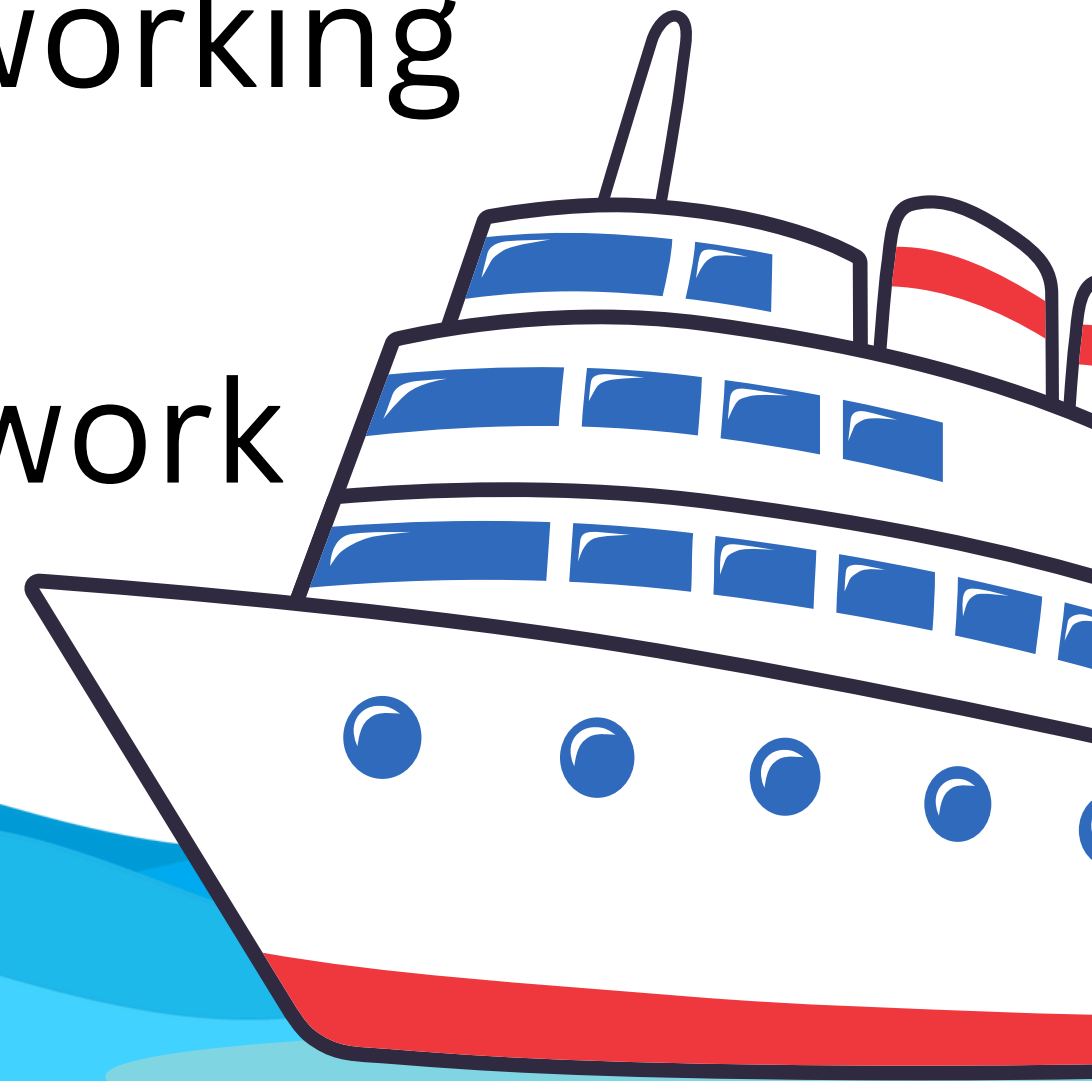

# Problems faced

We did not know how to make the  
switch work

So then we put the paper clip on the  
crocodile clips

# Skills Learned

- we learned how to use an electrical bulb
- we learned how to make a working Light House
- we learned a lot of teamwork during this project

# Step by step

SO FIRST WE CUT OUT MEASUREMENTS AND STUFF ON THE PRINGLES TUBE AND THEN WE PUT IN THE BATTERY AND BULB, THEN WE WRAPPED IT WITH RED PAPER THEN WE PUT OUR LOVELY FLAG ON THEN WE WERE DONE:)

**THANK YOU FOR LISTENING:)**
